25X1 7. [] Spoke with Mr. Herbert Jasper, Bureau of the Budget, and informed him of recent developments concerning the transfer of credit proposal. In connection with making this a matter of record within BOB, Jasper suggested that we get him letters from HEW and the Civil Service Commission. Mr. Jasper expressed his desire to help us and in the event of his absence suggested we contact Mr. Bernie Martin.

Subsequently, I spoke with Mr. Manuel Levine, Office of General Counsel, HEW, and it was his view that Chairman Mills had initiated the action concerning the inclusion of the CIA retirement system and that any further action by HEW is unnecessary. He said he will contact Jasper on this and let us know the outcome.

25X1 25X1 [] []

25X1 9. [] Talked to Larry Conrad, Chief Counsel, Senate Subcommittee on Constitutional Amendments, about S. 1035. I noted that after examining the problem the Director still feels we must have an exemption from the psychological testing portion of the bill. I also said that very probably Mr. Warner will be in touch with Senator Bayh to discuss the advisability of contacting Senators Mundt and Milton Young for the purpose of enlisting their support for Agency exemption from S. 1035.

25X1 10. [] Left with George Murphy, Joint Committee on Atomic Energy staff, a copy of the OCI memorandum on the Chinese nuclear test. Murphy said he had talked with [], earlier today concerning some aspects of this test and he was particularly glad to have this information. He said he would see that it was brought to the Chairman's attention.
